

NCD Survey - Pastor's Form

Instructions - please read carefully

- This form is to be answered by the pastor **in addition** to a copy of the NCD Survey Form (the main questionnaire).
- If the church does not have a pastor, it should be completed by the senior member of the church leadership. (In this case, some questions will not be relevant and should be left blank.)
- If the church has several pastors, only the Senior Pastor completes this form. If there is no Senior Pastor, the current senior leader should complete it.
- Most of the questions are mandatory because they provide basic contact and demographic information. It will not be possible to process the survey data without this information.
- Please keep a copy of this form for your records. It will be a helpful reference when completing your next NCD Survey.
